Technical documentation of the company and the product above have been observed and audit has been completed successfully by us. The **Supply of Machinery (Safety) Regulations 2008, Electromagnetic Compatibility Regulations 2016 and Electrical Equipment (Safety) Regulations 2016** have been taken as references for these processes.

The validity of the certificate can be checked through our website [www.ltcfr.com](http://www.ltcfr.com). The UKCA mark shown below can only be used under the responsibility of the manufacturer with the completion of UK Declaration of Conformity and other necessary technical documentation for all the relevant regulation(s). The certificate only imply an assessment of those technical documentation, but not an assessment of the whole production.
